

Novel corona virus announcements

Issued: April 17, 2020

To all students

The cases of infection to the novel coronavirus (COVID-19) has been spreading. We take the following actions:

1. All buildings are locked at any time until May 10th.
2. Classes for the first semester (beginning on April 20th) will be conducted as WebClass. If you don't have an internet connection, contact Academic and Student Services Office (nogaku@jm.kj.yamagata-u.ac.jp).
3. We permit you to keep research activities to a minimum, when you have a special reason. In that case, please get permission from your supervisor and notice the following:
 - 1) Ventilate a room by opening a door or windows.
 - 2) Keep distance between persons more than 2 m.
 - 3) Refrain talking with others at close range.
4. If you went outside of Yamagata Prefecture, or, you contacted with visitors from outside Yamagata prefecture, please stay at your house or apartment for two weeks. Don't come to university.

If you have a fever that persists four days or longer, or if you suspect that you have come into contact with someone who is infected with the coronavirus, contact the Yamagata University Health Administration Center (023-628-4154).

5. Please refrain from going out unnecessarily and urgently.
6. We will judge on May 8th whether we cancel your inconvenience or not, and inform you on our web site.

Dean of the Faculty of Agriculture Hideki Murayama
