

Issued: April 7, 2020

To all students

The cases of infection to the novel coronavirus (COVID-19) has been spreading. Please understand and cooperate with the following:

1. Please stay at your house or apartment until April 19th.
2. We permit you to keep research activities to a minimum, when you have a special reason. In that case, please get permission from your supervisor and notice the following:
 - 1) Ventilate a room by opening a door or windows.
 - 2) Keep distance between persons more than 2 m.
 - 3) Refrain talking with others at close range.
3. We will judge on April 17th whether we cancel your inconvenience or not, and inform you on our web site.
4. If you went outside of Yamagata Prefecture, please stay at your house or apartment for two weeks. Don't come to university.
